We do not accept the RD's resignation, Motion to remove RD for non-fulfillment of duties.

We feel we were not represented as a region by the RD. We feel that the RD did not fulfill duties on the basis that we are at a loss of information because of his personal agenda, and hereby make the motion to remove the RD for non-fulfillment of duties on said basis. While we understand that we are all addicts and all we are trying to do is ultimately stay clean, selfless service is just that. When we represent meetings, areas, and regions our personal opinion should only be expressed at the place it
