Election Notes: Need 2 signers on the account, is James willing to stay on the account until position is filled. James is willing (Gods Time) Is Lou willing to hold Chairperson until position is filled. Lou declines. All regional positions are empty. Please send your bodies, the region is here to serve our areas!

Open Forum:

Tradition book project. Nominations need to be in by April 1st. Must be available to travel. Do RCM's endorse Lou for this position? All RCM's voted yes. Lou will be nominated. Lou asks if we are interested in "workbook vs info book". Workbook is favored. Russ will fill out the nomination paper. Russ asks areas to please fill out the Traditions Workbook info online, we have a say in this project. There are monthly workshop tools.

Terry and Larry express concerns for HRP facilitators "packets" being private.

Russ says he won't break world rule on keeping info private but will bend it as much as possible.

Terry speaks of a possible motion to make these private things transparent to fellowship...

Russ will contact the RCM's as soon as these private packets become available.

Russ asks if we want to change from simple majority to 2/3rd on standard votes???

Old Business:

Motion to give \$1000 to Campvention failed 1-1-3.

Northern 1 (to not confirm the URICNA chair and let the groups decide) – Failed

Northern 2 (to return all URICNA money received from Clean Not Sober) – Tie → REVOTE

Sasquatch (for the RD to vote NO on all SSP motions) – Failed

Central (to allow individual committees to make own alternative merchandise policies) – Failed

Motions:

#1. Motion to amend to URICNA and Campvention guidelines (and any future regional events) to include the following Alternative Merchandise policy:

An alternative merchandise session will be scheduled on the Sunday of the convention (time to be determined) in order to provide an opportunity for NA Groups, NA committee, NA areas, and NA regions to sell Narcotics Anonymous merchandise for future events and/or to recoup the costs of producing Narcotics Anonymous merchandise previously offered for sale and left over from past events, activities, and programs. Funds from the above sales will benefit the fellowship 100% and are not for personal profit.

In order to provide necessary space; groups, committees, areas, and regions must apply for space at least 30 days prior to the event along with their Pre/Registration to the convention. Applications can be mailed to regional post office box or emailed to current regional event chairperson.

Utah Region of Narcotics Anonymous

P.O. Box 1409

Salt Lake City, UT 84110

Groups, areas, or regions should conform to the state and local regulations regarding sales tax and business licensing applicable to the selling of merchandise at the event. The convention committee is not responsible for, nor do they grant vendors license' to sell under any permission/licensing that they have obtained for the event from the applicable state and local agencies.

#2. Northern: Because of the response of the URICNA chair regarding the questions the Northern Utah Area had at the previous Regional committee meeting and because of the requirements in the new Regional Guidelines, the Northern Utah Area hereby makes the following motion:

That the URICNA Chair hereby be removed for nonfulfillment of duties, disregard for the URICNA/Regional Guidelines and lack of consideration of the Twelve Traditions of Narcotics Anonymous (see attached list of questions and answers asked of and given by our URICNA chairperson)

Intent: To allow for the opportunity of a Chair with experience, knowledge, and understanding of the aforementioned Guidelines/Traditions necessary to uphold said documents.

We would also like to add that this is the group conscience of the Area as a whole and not of any certain individual and would expect that the Region give this motion the respect it deserves.

#3 Sasquatch 1: Motion to create a Regional Steps through the Mail program for incarcerated addicts throughout the Region.

#4 Sasquatch 2: Motion to require an “intent” on all motions submitted to the region.

#5 REVOTE (due to Regional Tie) on Previous Northern 2: motion to return all URICNA money received from Clean Not Sober

Note – URICNA has not yet received any money from Clean Not Sober. They were supposed to receive a check of approximately \$42, but never got it and it has been three months

#6 Lakeside 1: motion to direct the RD to make, second, or support any motion made at the World Service Conference requiring a 2/3 majority on all CAR (Conference Agenda Report) motions.

Intent: to facilitate a larger group conscience

#7 Lakeside 2: motion to direct the RD to make, second, or support any motion made at the World Service Conference requiring a 2/3 majority on all CAT (Conference Agenda Track) motions.

Intent: to facilitate a larger group conscience

New Business/Motions:

Northern Area motions, sean asks RCM to confirm the intent of the motion. Terry asks doesn't URICNA have its own guidelines. Lou answers it is a gray area because URICNA serves the region body. Russ, only region can remove URICNA chair. Jess asks which duties were not fulfilled. Kiersten refers her to the list of questions and answers (see attached report).

Discussion follows Sasquatch motion for H&I steps in the amil. Terry speaks to following H&I guidelines, supports motion. Russ speaks to not having enough man power, afterall not one single regional position was filled today. Lou speaks to control of sun=bcommittees, we don't have enough bodies. Izzy, supports the motion, would be willing to be part of the AD_HOC once again.

Next Regional Meeting: April 12th at 1:30 pm

Motion to close: Lou B.

Closed at: 4:33pm

RD Report for February 8, 2014 Regional Meeting

Hi all,

To start with I need the RCM's to please schedule your areas CAR (conference agenda report) workshops I have two areas set UWANA Feb 15, NUANA March 1. Please get with me today or soon, like within a week. My email is at the bottom of my report. If any area would like to additional cover the material in the CAT (conference approval track), please set 2 to 3 hours for it. That would be 2 or 3 hours for the CAR and 2 or 3 hours for the CAT.

I will be holding two CAT workshops April 5, 2014 in the north end of the state Layton/Ogden area (location pending-will be posted on the region calendar) from 10:00 am - 12:00/1:00 pm and the second April 12, 2014 at the regional meeting location 10:00am - 12:00/1:00 pm before the region meeting at 1:30. This idea to help create a group conscience of the Utah fellowship was in the last cycles RD report in December 2013, and first introduced in the RD report along with discussed in open forum at the April 2013 (both attached to the end of this report).

I very often, more like every report ask to have items put on open discussion/new business, it seem to me that this doesn't happen often. I take the silence from the RCM's/facilitator to mean either they don't care or accept the idea/proposal.

I have attached as page 3 of my report a group tally worksheet for the CAR and CAT. I will have copies with me at the workshops also.

On an additional note with the CAR workshops, I will need to show three different videos one 10 minutes on the first three motions, one 18 minutes on motions 4-6 (SSP) and the last video 13 minutes on the regional proposals (two of which we the Utah Region) were co-makers of. That is 40/45 minutes of video that gives the world board view.

The CAT presentation has a 28 slide power point presentation, that seems to me is missing some of the pertinent details, however we will cover them even if the board thought it ok to leave out parts.

The world board held a second webinar (one sided conversation, they talk and RD/RDA's get to type), on January 11 that covered the CAR, as of Friday February 7 I had not received the transcript/question list. It was very world board view informative. I have to remember that everyone has a right to an opinion and it is perfectly "OK" to agree to disagree.

I need the area information worksheet (attached to the RD report last meeting, December 2013) from the area's (RCM's) for the regional report form that needs to be submitted March 1, 2014 (the deadline was moved from February 15) for inclusion in the Conference report. If you need a replacement I have copies right here (hand out).

An update on the Tradition Book Project; nominations for the project workgroup are due by April 1, 2014, it has been asked that groups do a worksheet on each tradition each month of this year (mini group workshop tools are online under the Tradition book project area-na.org). Does this body want to forward a nomination? Open forum please.

I would like to have a discussion on open forum concerning the world board, HRP (human resource panel) & co-facilitators in regards to how best to carry the Utah fellowships voice in the balloting process at the conference in April/May.

I received an email forward from NAWS from a gentleman named Alex who works for Cascade Refining Inc. asking for pamphlets (seems like a PI committee project)** read email**, who wants this project? Please let us know how it goes in April.

On a final note, I had a member from the Northern Area ask me why the regional minutes have not been on the website. The member felt that it was not very transparent to the fellowship in Utah when they can't see what this body is doing. Can we please have a discussion about how to correct this issue.

To finish this report I am reminding all the RCM's that if there is anything you or areas and groups need that I can be of assistance in please don't hesitate to ask. I know I put a lot of information out almost every meeting if you have a question or a member in your area does you can email me anytime and I will respond as quickly as possible to help you serve your areas to the best of your ability.

Effective communications is the most important device in building fellowship unity and kill the apathy that is like a cancer in the fellowship.

Humbly in service

Paragraph pulled out of the December 2013 RD report:

I would like the following CAT (conference agenda track) workshop schedule approved. 1st workshop April 5, 2013 in Northern/Lakeside and the 2nd April 12, 2014 UWANA/Central. The April 12 would be held here prior to the regional meeting from 10:00 to 12:00 before the 1:30 region meeting.

Paragraph pulled out of the April 2013 RD report:

I would also like to start a discussion under open forum as to how best to have the CAR/CAT Utah fellowship group conscience created. I will expound on this topic under open forum. I will also introduce three more points of discussion: 1. Participation at the WSLD in October. 2. The reformation of standing subcommittees at the regional level. 3. The use of the Utah NA Service Forum Facebook group to engage the entire Utah fellowship in discussions.

Paragraph pulled out of the April Minutes:

OPEN FORUM

1. CAT (conference agenda track)/CAR (conference agenda report) creating group conscience - proposal to do 2 large workshops in late March early April (prior to the last regional meeting before the conference) on the CAT (released 90 days prior to Conference which is at the end of April) CAT group conscience would come from those who attend workshops, CAR would be presented to each Area at a workshop in January and February, CAR has enough time to get to everyone; CAT doesn't (TAKE TO HOMEGROUPS)

Rocky Mountain Zonal Forum report to the WSC 2014

Mission:

The Rocky Mountain Zonal Forum (RMZF) supports its regions by acting as a problem discussion and solution clearinghouse and an informational resource, to further regions' efforts to carry the message to the addict who still suffers through the principles of love and unity, thereby promoting growth so that isolation does not hinder any addict's recovery.

Member Regions:

The Rocky Mountain Zonal Member regions are:

Colorado

Montana

Southern Idaho

Upper Rocky Mountain

Utah

Spanning all or parts of 7 states of the "Wild, Wild West," from Alliance, Nebraska on the east to Ontario, Oregon on the west and from Raton, New Mexico on the south to Browning, Montana on the north. Some of our common issues include:

- Member Areas spanning vast geographical areas
- Geographically small member areas containing most of our fellowship members
- Isolated rural communities that lack the human resources to host daily meetings of our fellowship
- Communicating the needs of all of our members through the service structure
- Large numbers of penal institutions located in geographical areas distant from the majority of our members
- Launching and coordinating services between our member regions

How we function:

- Provide a regularly scheduled time and place where representatives of the member regions come together
- Facilitate joint , multi-regional efforts which serve our member regions
- Offer suggestions for solutions to NA service concerns presented to this body
- Provide access to information and access to resources as requested (e.g. meeting lists, world registration help, literature, computer contacts, resource contacts, and computer links)
- Contacts with interested, experienced, and service-oriented addicts (resource people)
- A website (www.rmfn.org) which has our mission statement, contact methods, topics currently posted to discuss, an activities list, an archive of our documents and a discussion of RMZF website through the traditions of NA.

When and where we meet:

- We meet every year the fourth Saturday in July where we typically workshop IDTs
- We meet every other year the first Saturday in December which is a CAR workshop.
- Our meetings rotate among our member regions. The hosting region takes care of any expenses associated with the meeting.

Not Cleared Adjusted Old Savings

While the owner of the Entity in question may be a member, the entity "Clean Not Sober" is not (NA approved vendor, licensed through NAWS at the time in question?).

- Did you follow the URICNA Bylaws pertaining to section 12?

No other bids

We understand that there were other alternative merchandise vendors present.

We also feel as though the other vendors, including Mr. Tape, were providing NA merchandise and were directly related to Narcotics Anonymous with what they were selling.

- Contract with "Clean not Sober"? yes
- How did it come about the idea to have alt merchandise at URICNA changed after last Region when you told us you weren't having it? Committee discussed it

The Home groups of the Northern Utah Area have these concerns.

Questions for the URICNA Chair:

- When considering Alternative Merchandise, did you consider the 1st Tradition and what affect allowing "Clean Not Sober" to sell non-Narcotics Anonymous merchandise would have on the Utah Region of NA and NA as a whole by the example we are setting? *yes 17 committee members voted*
- How was this rationalized as apposed to another fellowship selling their recovery related merchandise and included in the raffle? *wasnt something thought of*
- Did you consider the 6th Tradition by endorsing (a public statement of support for another organization) and allowing to fund a related facility or outside enterprise with money that could have been used to fulfill our primary purpose (i.e. Money that was not spent on URICNA merchandise)? *discussed impact on URICNA fundraising*
- Did the convention receive any compensation from "Clean Not Sober" for allowing it to sell non-Narcotics Anonymous merchandise at the convention and, if so, did you consider the 7th Tradition? Exactly how was money from an outside entity to enter the NA fund flow? The following was taken NA World Services bulletin #21: *\$41.00 15% split letter form*

"One of the things that has become evident over the past few years, however, is that large segments of the fellowship want activities and merchandise. If we don't assist in these efforts, members may end up conducting them on their own. Whenever this has occurred, the resulting problems have had considerable impact on all elements of NA, affecting our fellowship's overall success in achieving its primary purpose. We strongly believe fundraising activities that divert us from the spiritual nature of our program are inappropriate and should not be encouraged within the fellowship."

" 1. In order to conform to the ideals of the Seventh Tradition, donations from nonmembers should not be accepted. "
