Dave – Registration Chair

John- Hospitality

Not in attendance

Kaylum P -Treasure

Donnie L- Vice Chair

Open positions Entertainment

The Region has asked that we submit guidelines- 1st we need to create a vision statements, as we get ideas together they will be emailed to Jeremy

We are going to need replace the banners from the first two years because they have begun to mold a little bit, we figure the cost will be about \$100.00 per banner, we have 3 tubes to hold them, however we will probably need more after last year.

The storage unit has been paid in full for one year. Jeremy and John have a set of keys.

Jeremy will make up a flyer for the logo contest that will end at the start of April before the next time we meet. I think we decided to use the theme the lie is dead we do recover.

Discussed having square coffee cups, however will be better able to decide what shape and size of the cups when we have the logo, thinking approximately 72 cups and shirts. Talked about possibly doing camisoles and boy shorts

Putting wooden coins and pens in the registration packets possibly do a registration package that could include all of the merchandise and registration.

For this next year we need to try and get our own lock for the door at the hotel, we will add it to the cost of hospitality.

Brittini took the money and receipts to Kaylum, Lakeside donated \$40.00

We are going to order 80 Guide to local services, 80 concept work books, 80 H&I Handbooks, and 100 old school step working guides, to give out to during the workshop and to the newcomers.

We would like to have a Spanish workshop and meetings, possibly make Spanish merchandise. Izzy will get down to Salt Lake and try and get in touch with someone who maybe able to help with this.

We have plenty of lanyards.

Maybe we could have 100% Stickers made, or Pins made for those who preregister.

Need to get an inventory of what we have possibly sell the left over stuff on eBay. We need Kaylum to set up a PayPal account so we can do online registrations and sell our stuff.

Jeremy will bring the trash and trinket book with him next time.

We are going to make the wooden coins out of wooden dowels, and stamp it. We are at \$15,000 in airfare.
