## Fundraising and Entertainment Report

I apologize for not being there in person to read my report. The New Year's event was a great success even though numbers might not reflect the same. We were given \$100.00 to fund the event. We now have 102.52 to give back to the committee and have a water cooler for the URICNA committee (how do I get this to storage?).

We would like to thank all of the committee members who attended, and also our Beloved chair for sharing her experience, strength, and hope with us that evening.

As far as upcoming events, we would like ideas, and ask that our chair announce to the regional body that Fundraising and Entertainment would appreciate help from all areas in assistance with activities.

In loving service,

Izzy H.

## Treasurer Report 1/14/2012 URICNA.

Beg. Balance 12/10/2011 \$9965.60

Expenses/checks since last meeting;

\$94.88 ck. # 1016, Kirsten, Committee Chair binders.

\$100.00 ck. # 1017, Izzy, Fundraiser in Central Area.

\$9770.72 Current balance of URICNA Account.

Sorry I will not be able to make today's meeting I am working until 3:30, although if there are any question I will be available for them please call me [801-503-4014](tel:801-503-4014), or text.

I have checked into the credit card app "Square" for iPhone's it is easy to use and cost nothing but the 2.75% transaction fee for each card swipe. The money is deposited into your account within 48 hours. This will require an iPhone or similar smart phone equipped with this app for the convention. I am also going to check with the bank and see if I can get a CC machine as a onetime use for the actual convention at the Registration and Merchandise tables.

I will or can set up a PayPal account for URICNA once our web site is decided. This is also going to cost us about 3% to accept money in this way. This could be something used at fund raising and preregistrations events where we had a laptop with Wi-Fi and people could send a payment to us thru there PayPal account.

I am still in the process of completing a spread sheet of last year's expenses and income, I will have this available by the next meeting for this sub-committee and for Kirsten to present to Region.

Thank you for allowing me to serve,

Lou B.
