

## **Regional PI Report for April URSC Meeting**

Responded to 5 comments on the Regional Website

Got all regional emails and website comments forwarded to me so I can respond to requests and be a backup

Contacted Jeff Marrot and asked to participate in 2017 state Drug Court Conference. Hoping to do a booth or a presentation. Waiting to hear back.

Attended UWANA PR meeting. Will collaborate on projects with potential for crossover (psa's) and will help coming up with contacts and "targets" for professional presentations.

First PI Conference call this cycle was great. Three in attendance. Minutes attached. Second one I was a few minutes late signing in and no one was there. It was Easter Sunday, that could have affected attendance. I might have missed someone because I was a few late.

Guidelines ready for group conscience. Copies for each area are attached.

### **Motion:**

For funds to purchase the following items to build a kit to do Public Information booths. This kit will be available for group, area, and region use. I am requesting full reimbursement after purchase, but my approximate budget is below. It comes out to approximately \$280.00, but that does not include any shipping costs.

### ***Proposed PI Booth Kit Budget***

<b><u>Item</u></b>	<b><u>Price Each</u></b>	<b><u>Quantity</u></b>	<b><u>Total Cost</u></b>
Rack	\$20.80	1	\$20.80
