

August region minutes

Roll Call

Minutes – read / approved

Reports

Facilitator – Not much to report; hopeful to get some positions filled particularly for Secretary

Treasurer – Open (See attached)

Alt Treasurer – Open

RD – See attached - PSA, DOC at events. Flier hanging days (UWANA newcomers) Roles of Zones, Do we need a more formal body for zones, take a look at guidelines and vision statement. Next Conference call in November 2, we don't want to duplicate efforts, 10 regions involved in the Zonal Meeting December 1 @ 2:00 Billings Montana Cost for facility. was 501.00 Utah's portion will be 100\$. RD's expenses were 432.08. Change is given back.

RDA – See attached - IDT presentation; guiding principals book and how to use it. October or December, clarification on who we go to for what, who the hosting region is. Filling in for treasurer

Web –

I finished creating the new Region website - NAUtah.org, it includes a page that details the Region conventions, a page that has a map of all NA meetings in Utah (with the exception of Vernal's area, it looks like their website is down or expired, so I don't know their meeting list) - it includes the Moab area (which is within the Colorado Region) as well as the Southern Utah area (which is in Region 51, Nevada). I figured having the information showing addicts meetings in Utah made more sense than just keeping it within our actual Region. That meetings page also links to all of the area website's online meeting schedules. There is a contact page that includes full contact information for each area. I plan to also add an About page or something like that to detail when Region is, and open positions, as well as when region convention committees meet — I do have open URICNA positions on the Events page, so maybe I'll just add more to that page — More will be revealed. Finally, there is a page for Archives, that includes all the minutes and documents from Region and Region Conventions.

PI -

I have secured a booth for USARA recovery day for the day of September the 9th from 9:00 AM to 4:00 PM. I have personally paid 50\$ of my own money to secure the booth. I will be asking for a check today. Also I was wondering if it would be OK if I buy literature for the event from my area and just bring a receipt to next region.

I have also received an email requesting NA to have a booth at the Mental health services awareness night at the UVU Oct. 12th from 5:30 - 8:30 P.M. I plan on getting in contact with the central area to see if they want to take lead on this project or if they want to help.

I have spoken with the HandI chair and we spoke about a tentative date of October 21st for the regional service learning day.

Outreach Open

HI - Discussion on a flier to go out with whomever is taking meetings into lock down facilities so that they are made aware of the steps through the mail program because at this time it seems that inmates are not aware and really how could they be.

URICNA- Met the last two months, obtaining bids for merchandise, tapers, voted in a treasurer, if another RCM shows up, Would like PI/H&I to set up a booth at URICNA, Broadcast main speaker to inmates? Would like to introduce the Regional body during the main event. Narrow down area participation for meals. Circus themed entertainment. Very small committee. Looking for home groups to help with the hospitality Kirsten was confirmed as treasurer

Campvention – Copied from January

Well someone know by attending or being apart of. CV 34 was a success and an amazing spiritual experience for us. This event is dear to me and we now have a new committee for CV 35 which is exciting.

They should be in room to get voted on at region. Whitney C for Chair and Anthony L for treasure. The old committee and new committee will meet once they make there are and time. To go over anything. And hand over anything we need old merchandise or ideas, suggestions, and high fives!

I am not here today due to a softball tournament and only need to report and set up with anyone to do audit or go over with anyone willing and set up time and date. We have all receipts and everything is added up and organized and we had enough to do prudent reserve, pay our special event taxes and give region \$497. All debits and checks have cleared from camp sites and camp grounds.

We do need to set up taking me and Marshall off the bank account and add new committee chair and treasure and I will turn in old debit cards and checks into region this week and we can transfer the amount straight into account or write a check and when turn in to region chair to give to RDA James to deposit.

We want to thank everyone who supported, traveled, and served and participated in this event and letting me serve. This event is dear to me and one thing that kept me close to NA past year and grateful for the region for trusting me. One thing I would like to ask is at Slc convention who we contact to sell old merchandise to help new committee fundraise?

Thank you January...

Whitney was confirmed. Set Audit committee (January, Whitney, James and Brittini) time and location TBD

Currently there isn't a committee meeting scheduled. Whitney will let us know when that happens.

Central – No representation

High Unitah - – No representation

Lakeside - – No representation

Northern – Not much to report they did not have area last month. Freedom fest was a success and they have a men's retreat coming up the last weekend of August there is more info on that on the website, No information about any other events or how the NUACNA planning is coming along. Some info exchanged regarding the website, events, PI chair person.

Sasquatch – New meeting at the treatment center.

UWANA – See attached

Open Forum

Decided to hold a IDT Next time at 12:30 everyone was given a food assignment and we will have a pot luck. We will be discussing the new book and how to use it.

Utah Regional Delegate Report August 12, 2017

Hello Fellowship!

I attended the Rocky Mountain Zonal Forum in Denver July 20th – 22nd. Originally, a PR event with professionals was scheduled for July 21th. None of the professionals invited had RSVP'd so it was changed to a forum for regions to report on local PR work and gather information about PR efforts.

The RD from Colorado led out with a discussion on why Narcotics Anonymous PR should build relationships with professionals in the community. She expressed a need for dialogue around reasons they refer or don't refer their clients/patients to NA. The idea is to put as much work into these types of PR efforts as we put into H & I. The idea is to reach the addict before they become involved with institutions.

Montana's RD and RDA shared about their experience with PSAs on local radio stations, especially late at night. They've had some success with these. They have a member that has helped them with the production so that these PSAs are basically plug & play for the stations. Montana has been able to keep costs for the helpline down using Google voice. They also do flier hanging jointly through H & I and PR together. The member areas cover literature racks (the region covers racks that don't have area support). They focus on having racks in facilities that don't already have a strong relationship with NA. The thought is that if the facility already has panels, meetings, or brings their clients to meetings, there isn't as much of a need to have a rack there. Montana region has also sent Basic Texts & Informational Pamphlets to drug court personnel (specifically judges), Sheriffs, and local Police. They have also met with a Neighborhood Watch group in an area and explained what NA is. They've also met with city council members and a police chief and his team. The challenges for Montana region is there is very little coverage of the eastern part of their region; it's difficult to cover the whole region. They believe that some growth is happening because addicts that go to treatment in the more established areas are learning about NA and taking that back to their smaller communities.

The Upper Rocky Mountain RD reported that they are going through a developing phase with their PI/PR and using a lot of the ideas from Montana region as well. They are using Google voice and Century Link for their helpline and also conference calls for committee meetings.

We then heard from a member of the Colorado H & I committee. They invite members of the Department of Corrections to meet with them at their regional convention and participate in a panel with addicts from their institutions that attend H & I panel meetings. They also do their volunteer training to go into these facilities at the convention every year. They have also worked on making live broadcasts of main speakers available to those in institutions. They are considering creating a presentation geared towards wardens. Colorado credits much of the success of these efforts to creating a Department of Corrections Coordinator and Assistant DOC Coordinator that is accountable to their regional H & I committee.

July 22nd discussions the first half of the day were focused around the Issue Discussion Topics regarding Social Media and the Future of the World Service Conference. During the discussion on social media several regions shared they have started exploring using Zoom. This service is video conferencing (NAWS uses this service) and it is free for 45 minutes. Some regions have explored using Skype for speakers at conventions to better use funds. Another region proposed doing a tutorial on how to guard anonymity online and this includes showing members how to set specific settings.

The discussion on the future of the World Service Conference centered on what the issues around the current WSC. The conference has grown beyond the capacity of the facility used for the conference. There are

For those interested in using a link to virtually participate in World Unity Day, the Southern Idaho RD can provide this through email. To use the link network access and a computer are needed. The program used is a little shaky but there is work being done to improve this. There were suggestion of using this for an event, a home group, H & I panel, etc.

There was also discussion on Rural Recovery and those challenges. Regions shared that is important for there to be venues for isolated addicts. H & I is a tool for outreach by staying in touch with those that leave facilities and return to isolated NA communities in some regions and areas. Also shared was the experience that organically/naturally formed communities seem to do better than targeting a community and starting meetings there. Staying connected by phone, email, actual visits, and various social media by neighboring communities is helpful. Several regions do "Meeting Crashing" that consists of finding out what resources a group needs (literature, tags, schedules, etc.) then gathering those resources and delivering during a visit by several members of neighboring community.

The Upper Midwest Region presented two motions they are submitting to the CAR. They asked for feedback on our thoughts on the motion and what we thought our regions might think of these motions. I have included those with this summary. For Utah region, I stated that my perception is that Utah would not likely carry a vote in favor for either motion. However, more could be revealed once these are presented to Utah groups. The other regions present also stated that these motions would not likely be favorable in their groups. Upper Midwest stated they would take the points made back to their region for more discussion. They stated they may withdraw these motions depending on what their region decided.

The next RMZF conference call will be November 2nd at 7 PM. The next RMZF meeting will be December 1st at 2 PM. That meeting will be focused on the CAR report and a World Board member will be requested to attend.

Colorado region has received the final bill for the facilities from this July meeting and Utah's portion is \$100 and I am under the impression that we previously agreed to financially contribute. We will need to send these funds ASAP.

In Loving Service,

Tracia

Utah RD

RD Expenses Report for July RMZF Attendance

**Originally budgeted \$950 for RD and RDA to attend.

Actual Expenses for RD only:

Holiday Inn	\$218.60	Lodging
Little America	\$5.38	Food
Little America	\$32.44	Gas
Nick's Conv.	\$20.91	Gas
Greek Town	\$14.45	Food
Ruby Tuesday	\$34.06	Food
Tower T & G	\$13.80	Food
Tower T & G	\$21.92	Food
Cappy's	\$14.96	Food
Love's	\$24.63	Gas
Nick's	\$3.22	Food
Costco	\$27.71	Gas

Total expenses: \$432.08

Returned funds: \$517.92

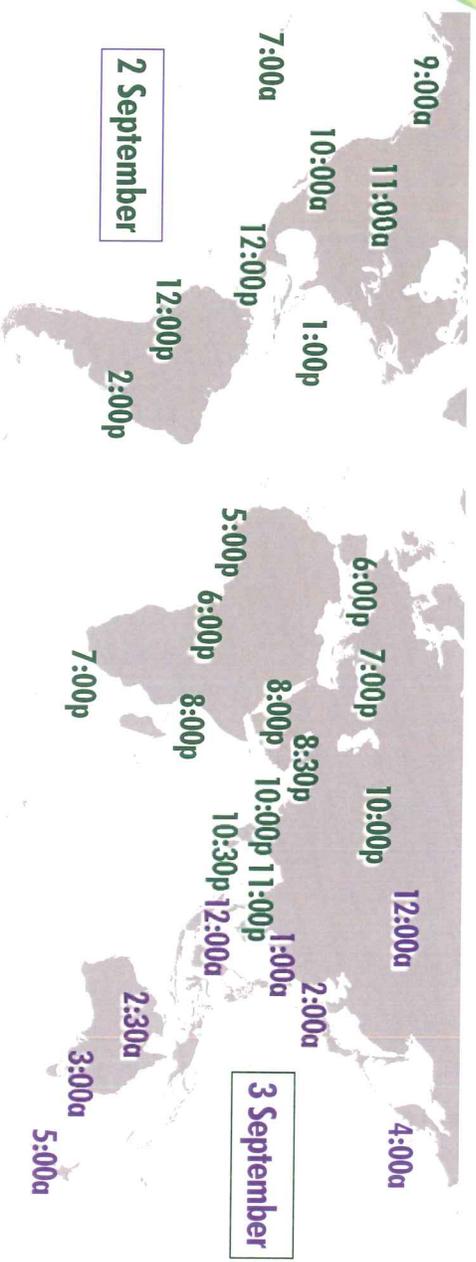

When we come together in unity, we shine.

Guiding Principles: The Spirit of Our Traditions, Tradition Two

World Unity Day

2 September 2017 – 10 am PDT*

A sampling of worldwide times for Unity Day

* If the time isn't practical for you, just pause at some point on Saturday, 2 September to feel the love of NA unity with a moment of silence, a prayer, and a sharing of NA energy.

In the same moment, NA members around the world will pause together to reflect on our **worldwide Fellowship** and our primary purpose: to carry the message to the addict who still suffers.

Whether you have a Unity Day event, **share a prayer** during a meeting or with friends, or just take time on your own, in this moment, **we all join together** in unity to share the Serenity Prayer.

NA unity is our bond with fellow addicts: those who came before us, those who are here today, and those who have yet to find us.

Guiding Principles: The Spirit of Our Traditions, Tradition One

Rocky Mountain zonal forum meeting 7-21 17

Delegate team report / Montana Region

In the Montana we currently have 151 weekly meetings.

There were 5 campouts and 3 conventions in the last year. We also collaborated again with our friends in Wyoming and held our annual NA@10K meeting last weekend on the Beartooth Pass in Wyoming.

We held our Regional assembly on the 2nd weekend of May. We had a day of workshops on Saturday and held our Regional meeting on Sunday. When we discussed the future of the WSC our Regional Service committee made it very clear to myself and Mike that the Montana Region does not support any change in representation at the WSC. We also had a discussion about possible future changes in our Zone and agreed to have open minded discussions as any issues arise.

Thanks, John and Mike

1 **Motion #1 to 2018 World Service Conference:**

- 2 1. "We, the NA Groups, as the foundation of the service structure of Narcotics Anonymous,
3 the service structure we have created to serve our needs, The World Board and Narcotics
4 Anonymous World Services, Inc. (NAWS), do not discriminate against any person, Member
5 or not, on the basis of health status, health status information voluntarily or involuntarily
6 disclosed, ability, disability, age, race, sex, gender identity, sexual identity, creed, religion,
7 lack of religion, drugs used, financial status, background, period of drug use, clean time,
8 personal opinions, personal decisions, personal experiences, geography, beliefs, criminal
9 record or any other personal circumstance.", and
10
11 2. This Non-discrimination Clause will be placed in the NAWS corporate Bylaws, and
12
13 3. Only the NA Groups, through the World Service Conference can create this Non-
14 discrimination Clause, and
15
16 4. Only the NA Groups, through the World Service Conference, can and will, every 10 years
17 review and update this Non-discrimination Clause as needed, and
18
19 5. This motion brings together the many references to statements in existing literature,
20 including statements like "...regardless of..." into a coherent statement, and
21
22 6. This motion adds "health status, and health status information voluntarily or involuntarily
23 disclosed" to protect the fellowship from commenting on "outside issues" and to protect
24 the personal privacy of each Member or other persons in matters of their health status and
25 related information "in all our affairs".
26

27 **Intent:**

- 28
29 1. To commit NA Groups, the service structure they have created, the World Service
30 Conference, the World Board and NAWS, Inc to participation in the ongoing evolution of
31 the fellowship by establishing and reaching for the highest ideals found in the Twelve
32 Steps, Twelve Traditions, Twelve Concepts.
33
34 2. To place Narcotics Anonymous as a worldwide Fellowship, and Narcotics Anonymous as
35 a viable program of recovery on par with, and exceeding, the highest standards of
36 international philosophy and policies concerning the autonomy of the individual person.
37
38 3. To be, in the communities where we love and serve, a leader by our standards of
39 inclusion, non-discrimination, and spiritual principles, and a program of attraction to all
40 who may need our services as well as those who love and care for those who may need
41 our services.

Motion #2 for World Service Conference 2018:

Narcotics Anonymous does not discriminate against any person, NA Member or not, on the basis of their health status or on the basis of information about their health status disclosed voluntarily or otherwise. Narcotics Anonymous chooses to meet and exceed the highest international standards of respect for personal autonomy and privacy in these matters by taking the following actions:

1. Remove Bulletin #29 from publication and use, remove all references to it in all service publications and related documents, and to help the service structure inform the NA Groups, the service structure, and the public that Narcotics Anonymous takes no stand on the Health Status of a Member or non-Member and does not take a stand on the Health Status information a Member or Non-Member discloses voluntarily or is otherwise disclosed.

<http://www.na.org/?ID=bulletins-bull29>

2. Remove from publication "Narcotics Anonymous and Persons Receiving Medication Assisted Treatment" and all references to it, and to inform the Membership, the service structure and the public that all issues of Health Status are now an outside issue and protected in our commitment to non-discrimination based of Health Status and Health Status Information disclosed voluntarily or otherwise.

http://www.na.org/admin/include/spaw2/uploads/pdf/pr/2306_NA_PRMAT_1021.pdf

3. Remove all references, from all service related publications and communications, to health status issues in general, including all references to Drug Replacement Therapy, Medication Assisted Treatment, Methadone and its various uses, Harm Reduction and related issues that are outside issues.
4. Take steps needed, through the Board/Conference/Fellowship Approval tracks, to inform all NA Members, the public and especially the professional community that it is now the policy of Narcotics Anonymous that all matters regarding health status and health status information of an NA Member, and all persons, are personal and private in nature and Narcotics Anonymous, as a Worldwide Fellowship, chooses to exceed the highest international standards of respect for personal autonomy and privacy in these matters.

Intent:

1. These steps will bring our Bulletins, as the opinion of the Board at the time of writing, as well as all service literature and communications based on Bulletins, all Board approved service Literature based on those Bulletins, and other service literature created by a mix of Board/Conference/Fellowship approved processes into spiritual synchrony with our major pieces of literature.

No mention is made in these pieces of literature concerning the right or responsibility NA Groups, the service structure the Groups have created, World Service Conference, World Board and/or NAWS, Inc to take a stand on any medical or health status issue in general or as it relates to "abstinence" or "service" in NA.

2. These steps will insure that the NA Groups, World Service Conference, World Board or NAWS (Narcotics Anonymous World Services, Inc) will not and can not, in the future, bring any health status issue up for discussion in relation to any Member, or person, and their freedom to enjoy the full benefits of recovery, abstinence and service that is the Narcotics Anonymous Program and Fellowship.
3. The Sixth Edition Basic Text includes related items in the story section. No change is needed because a disclaimer is given.

"You may read about choices that are contrary to your beliefs or to the customs of your NA community. The individual paths our members choose to walk do not necessarily reflect the views of NA as a whole, and it is important to keep in mind that these are all personal experiences."

4. It Works How and Why, the Narcotics Anonymous Step Working Guides, Sponsorship, Living Clean the Journey Continues, A Guide to Local Services in Narcotics Anonymous, A Guide to World Services in Narcotics Anonymous include no statements on these matters and so need no changes to meet the standards of non-discrimination set here.
5. Guiding Principles the Spirit of the Traditions includes only one mention of such a topic and it needs no change because it is mentioned in an unrelated setting.

"Each of us is better at reaching out at some times and in some ways than at others, It's good there are so many of us. People who come in and out are easier for some of us to accept than those steadily attending while on drug replacement therapy; others of us are exceptionally good at reaching out to the newcomer, but have no patience for those who seek help elsewhere as well as in NA. Sometimes a member hurts us, directly or indirectly, in the course of a relapse, or they may be locked in a behavior or pattern for which we simply cannot feel Compassion. We reach out where we can, and make an effort to increase our compassion for those who don't match our expectations or whose recovery doesn't look like our own."

RDA questions regarding RMZF (Denver July 2017)

1. What is the cycle schedule for future Zonal Forums? This may be available somewhere, but I haven't seen it.

From what I understand this zone meets once a year in off conference cycles and twice in an upcoming World Conference cycle. For example, this zone will be meeting again in December to focus on the upcoming Conference Agenda Report.

2. What is the structure of this group? For example: is there a webmaster, treasurer, facilitator, etc? I saw a webpage but I think it's a little outdated.

Currently, there aren't any elected trusted servants. The current process is that the hosting region provides the facilitator and recorder for each zonal meeting. As you know the hosting rotates through the member regions. Today, it was pointed out that several years ago, there used to be a more formal structure with trusted servants and it was decided to no longer do that and go to the current format with the exception being a web servant. There hasn't been an active web servant in sometime as the last person that accepted the position (Lonny from our region) did not return to perform duties. So, it was discussed today to get a web servant and get that going again and there was a trusted servant "voted" in to perform those duties (Chuck from CO). Also, another member volunteered to provide current approved version of the RMZF mission and guidelines to be added to the reviewed/approved and added to website. As you have discovered the website is in dire need of updating.

3. What means of communication do we have with NAWS as a group? I believe the Zone, ideally is the communication link between NAWS and the regions.

Currently, the zone isn't really used as a collective voice to NAWS. That said, typically, a World Board member is in attendance at the RMZF (especially for CAR review years) to provide and gather information with the member regions. Ultimately, each region retains their "individual" voice at the WSC/NAWS level. This method has worked in making a World Board person available at one central meeting rather than travel to each region for general type of things.

4. Do we have any guidelines, or historical documents to help new folks, like myself, come up to speed sooner?

Yes, there is a mission statement and a set of guidelines. I actually received those by email this morning and we did discuss these during today's business meeting. These need to be cleaned up (housekeeping items like what regions are currently part of RMZF, separating out guideline type language from the mission statement, etc.) and they will be distributed for our review and decision later. I will attached what I have to this email so you can at least see what there was before the revisions are sent out, for comparison and to get you up to speed too.

5. Are we in contact with other zones to compare notes? I suppose everywhere is unique, but it might be nice to see how other folks are doing things.

Yes, the challenge right now is the zones operate as they see fit for their zone and that can differ quite a bit from zone to zone. Some are much more formal and some are a lot less so. I did hear discussion today about what is working for some of the other zones and what might

work for RMZF. I have suggested that perhaps, we ought to review our Mission statement to see if we are meeting the goals set forth there and then decide how we could be more effective overall with those and if we need to consider adding more goals. I think it makes more sense to do an inventory of what we are actually tasked to do and if we are doing it before we can credibly have a conversation about any future efforts or changes.

6. Is there talks of making these group meetings more digital? Seems for the amount of money we spend on travel, we could do something with a webcast for a fraction of the cost.

Yes, there's been discussions about better use of technology to be more effective. Specifically, we've talked a few times about the low cost of ZOOM for web meetings (I think it's \$14 a month and up to 50 people can attend at a time). ZOOM is what was used for the last webinar for WSC participants to discuss regional representation last month. Today we decided to use a Google drive to keep resources like a really good PSA that originated in Chile in Spanish but is formatted to be used by any region, our guiding documents, and other items that we deem useful/relevant for RDs and RDAs that may or may not be housed on our website.

In loving service,

James K

Utah RDA

August Regional H&I Chair report

This cycle there have not been any new letters received regarding our steps by mail program. I am thinking, as brought to my attention by a member who takes meetings into the prison, that many don't know about this service being offered. I think a solution would be a) to put this information on our regional website and b) perhaps a flyer could be put up or placed out by those who take meetings into the prisons and jails. I have included a sample of such suggested flyer attached hereto. I appreciate any feedback or advice in this regard.

That is all for now.

Thank you for letting me be of service.

Amanda B

Steps by Mail is a sponsorship program offered by The Utah Region of Narcotics Anonymous to help addicts that are incarcerated. Addicts behind the walls work the 12 Steps of Narcotics Anonymous with a sponsoring addict on the outside through the mail. For several reasons these sponsors cannot and will not write letters for court, parole, probation, nor will they send stamps, money, or packages.

If you would like to be assigned an NA sponsor to work the 12 steps by mail, provide us with

- 1) Full Name
- 2) Institution Name and Address
- 3) BKG #, PFN and DOC #
- 4) Gender

Please write clearly and send your request to:

Mission Statement

The Rocky Mountain Forum: Our Mission

We are a problem/discussion/solution(s) clearinghouse for the NA Regions in Colorado (and part of New Mexico), Idaho (and part of Oregon), Montana, Utah, and Wyoming (and part of Nebraska). We meet once per year, rotating through member region locations in July (4th Saturday) of each year. On the odd years, there will be an additional meeting in December (2nd Saturday) where we will primarily concentrate on the CAR with World Board Members in attendance. Each July when we meet, we will hold discussion groups, workshops and actively share in member regional needs.

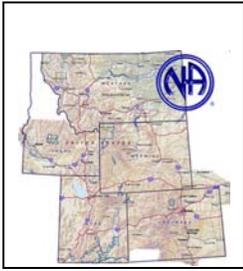

And, at these annual meetings, we will generate a priority list of member activities for the coming year.

We offer the following for addicts, groups, areas and regions within the Rocky Mountain Forum boundaries:

1. suggestions for solutions to NA problems given to this body
2. addicts for Outreach if at all possible / if needed
3. information (meeting lists, world registration help, literature, computer contacts, resource contacts and computer links)
4. contacts with interested, experienced and service-oriented addicts (resource people)
5. a website (www.rmfn.org) which has our Mission Statement, Contact methods, topics currently posted to Discuss, an Activities list, an Archive of our Documents and a discussion of Rocky Mountain Forum website through the Traditions of NA

We are action-based with web and postal contacts. We are here to serve the addicts within the boundaries of the Rocky Mountain Forum through the spiritual principles of unity and love.

RMF Approved: September 30, 2005

Rocky Mountain Forum Guidelines

revised by consensus Saturday July 23, 2011

Purpose:

The purpose of the Rocky Mountain Zonal Forum is to provide a regularly scheduled time and place where representatives of the member regions come together to further our primary purpose, "to carry the message of recovery to the still suffering addict", through service oriented discussions and workshops. The Rocky Mountain Zonal Forum's primary function is to facilitate joint, multi-regional efforts, which serve our member regions, and is directly responsible to the Regional Service Committees within the zone.

Member Regions:

Membership in the Rocky Mountain Zonal Forum includes, but is not limited to, the following regions. Any region which considers itself appropriate for membership in the RMZF is invited to participate in any and all of our meetings.

Current members:

- Colorado
- Montana
- Southern Idaho
- Utah
- Upper Rocky Mountain

Functions:

The Forum is primarily comprised of Regional Delegates, Alternate Delegates, Regional Trusted Servants and other interested members of the fellowship from within the Rocky Mountain Zonal Forum. The only requirement for a regions membership is a desire to join the Forum.

The Forum location will rotate among the participating regions according to the following schedule: Colorado, Montana, Southern Idaho, Utah and Upper Rocky Mountain (Wyoming). The host Region is responsible for providing the meeting space and the cost associated with hosting the Forum. The hosting region is also responsible for requesting NAWS participation.

The Rocky Mountain Zonal Forum has established guidelines, which provide direction and accountability for its actions.

The discussion and workshop topics will be decided for the next event before adjourning the Rocky Mountain Forum.

The Rocky Mountain Zonal Forum will conduct itself in accordance with the Twelve Traditions and the Twelve Concepts for NA Service so that a spirit of selfless service and not of government remains always as its guidepost.

As a service to the fellowship of our membership the Rocky Mountain forum will maintain a website to announce our activities and maintain an archive of RMZF minutes, and documents created for the forum. The participating regions will defray the cost of hosting the website.

The Rocky Mountain Zonal Forum will meet annually the **fourth Saturday in July**. The RMZF will also meet the **first Saturday in December** in non-conference years and during the assigned time at the WSC. The Forum will rotate the regularly scheduled meetings through our member regions as stated

below:

Colorado Region, Montana Region, Southern Idaho Region, Utah Region, Upper Rocky Mountain Region

The Zonal CAR Workshop shall be held in conjunction with the publishing of the Conference Agenda Report and shall be part of the regularly scheduled Zonal Forum meeting. The hosting region will request participation from NAWS at least three months prior to the proposed date of the workshop.

Typically the event shall be an all day Saturday affair, be located near an airport with shuttle service available to the facility, and include other service and/or recovery oriented topics.

Other multi-regional event(s), workshops, learning days etc. may be held as requested by member Regions.

A proposal to change the guidelines will be submitted by a member region at least 90 days to the Forum before a regularly scheduled meeting to allow for discussion with our member regions. The text of the proposal will be included in the official minutes as well as the final disposition of the proposal. The Web Servant will update and submit the guideline to all members of the Forum to be proofed and corrected as needed. The Web Servant will post and send the revised guidelines to all members no later than 30 days after final approval.

Trusted Servant Roles of the Forum:

1. The hosting Region shall provide the facilitator, and a recorder.
2. The regional delegate of the hosting region will be the single point of accountability.
3. The facilitator for the WSC RMZFNA forum meeting will be the regional delegate of the next hosting region.
4. The RMZFNA report for the WSC will be written by one of the participating delegates as decided on by consensus at the December CAR workshop prior to the WSC.

Consensus Based Decision Making -- (Participation and Voting)

(Note: this information is provided in the unlikely event that the forum needs to conduct business or get a group conscience on an issue facing the forum)

Definition: Consensus Based Decision Making

Consensus is defined as the decision making process used by the RMZF in which discussion and compromise are used to reach agreement. For example, if a proposal / topic is introduced to change, or create a practice of the Rocky Mountain Zonal Forum and consensus is not reached, the practice will continue as it currently stands or will not be implemented. Procedure:

Proposal / Topic is introduced.

The facilitator opens the dialogue. Begin with the maker of the proposal / topic.

Clarifying questions are taken. This is when questions are asked to ensure that all participants understand the proposal / topic. This is not the time for general discussion

Facilitator asks for concerns or reservations (General Discussion). This is when modifications may be made to the proposal / topic in an effort to address expressed reservations or concerns.

Facilitator asks for Consensus There are four (4) positions an RD may take on a proposal / topic:

ASSENT: agree with proposal / topic.

ASSENT with RESERVATION: although there are reservations or concerns, the individual will trust and go along with the body's decision.

STAND ASIDE: based in strong personal reservations which prevents support for the proposal / topic.

BLOCK: (NO) based on spiritual principles expressed in our Traditions or Concepts. A block must be followed by speaking to the specific Tradition or Concept, which would be violated. A block will prevent a proposal / topic from being adopted.
