Goals for Service

I am open to serve our Fellowship in whatever way is needed. My first guiding principle is the reliance on a God of my understanding to show me the proper path. If that path leads to be the Regional Delegate for Utah, I am prepared spiritually to fulfill that commitment. Here are the necessary skills to employ in this position, as I understand it:

- Carry the voice of the Region to the NA World Conference, World Services, RMZF, other Regions and Areas, regardless of my personal opinions.
- Provide information to all the Areas in the Utah Region from NA World Service as well as other Regions, Areas, and Groups as applicable.
- Commitment to attend all Region meetings, Training and information presentations, and Area meetings as necessary to further understand the voice of the groups in the Utah Region.
- Effectively communicate to provide relevant, and up-to-date information in a timely manner.
- Effectively listen to understand and relay the experience and opinions of the Areas and Groups in our Region to help unify and share that experience with other Areas and Groups.

My commitment is to further carry the message of Narcotics Anonymous to as many people as possible. I believe this is achieved, for me, by continuing to be of service to our fellowship.

"Everything that occurs in the course of NA service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers."
