

## RMZF Regional Report- Utah

December 13, 2020

**Current Team:** James K RD, Collyn B AD

- We have six (6) areas within our region; Sasquatch (Park City / Heber), Central (Utah County), Lakeside (Davis County), UWANA (Salt Lake / Tooele County), High Uintah (Vernal and surrounding) and Northern (Weber County: Ogden mostly). We have spotty participation mostly due to the changing environment.
- Our RSC meets every other month via Zoom to conduct business. We meet on the second Saturday of even months.
  - December 12, 2020
  - February 13, 2021
  - April 10, 2021
  - June 12, 2021
  - August 14, 2021
  - October 9, 2021
  - December 11, 2021
- December 12, 2020 Region we funded our H&I Chair with about \$2300 to be able to start to send books to most, if not all, of our 28 county jails. We also agreed to send \$750 to NAWs. Since we have not been traveling and most of our services are not happening, we have a surplus of funds since Areas are still donating funds.
- We have only 2-3 of our Areas participate regularly, which negatively affects our quorum. We are exploring ways to still conduct business by changing our guidelines, however we need a quorum to be able to change our guidelines.
- H&I within our region is happening, mostly virtually. We have been in two county jails, until a recent outbreak, and several recovery facilities. If other Regions are looking for experience how to set this up, we can put you in contact with the people who have made this happen.
- We had nominations and elections at the December Regional meeting. Collyn and I were nominated for the same positions and will be voted on in February. We voted in a new facilitator, and re-elected our H&I chair, Outreach chair, secretary, treasurer, web servant, and have one open position: PR chair.
- Our Regional Convention was held virtually in November. There was decent attendance and they had a new approach to merchandise. All orders were direct with the printer and items were mailed to members directly. We do not have an accounting of the convention yet, or how and if they profited on the merchandise.
- We are planning our summer Regional Convention to hopefully happen in person. Dates are July 30 – August 1, 2021 at the Monte Cristo Campground in Utah. We are planning a virtual option in parallel in case we can not hold this event in person.
- A group from Evanston, WY has joined one of our Utah Areas and has been a big part of our service structure.
- Efforts are being made to attend the area meetings that are not participating at region to see how we can better support them.

In loving service,
