## Analytics:

- Stats are down for visits to the website this cycle compared to the previous cycle -- however, the previous cycle was about a week longer than the recent (2 month) cycle. Overall, taking away that extra week, analytics are fairly consistent.

- Also, here are views by page comparing this cycle to the previous cycle. Most page are down (again though one week shorter than previous cycle). However, interestingly, the WSC page has seen a significant increase in views.

We have an open Fundraising and Raffle position (2 year clean time) that we would like to fill. Our past fundraisers have gone very well. In this past cycle we have lost and gained a treasurer. Merchandise is the big focus right now, we are working to get quotes and selections made so we can get pre sales started by our event next weekend. That event will be a bake sale in Provo at St Mary's Church at 2pm on 4/15. Please bring treats to sell and join us, especially the Utah County folks! The planning for the May softball tournament fundraiser is under way and we will get the details out on that via email and our convention information chair once we have it. Please encourage your areas to register early so we are able to have fund flow and put on an excellent event! There will be paddleboarding! YAY! Calendar of events is below. John from Central reported they will support a meal for Campvention for \$250. We have started getting the points of contact for meals for each Area. **Sasquatch:** Hamilton –

Sasquatch Area Report to Utah Region

April 2023

The Sasquatch Area has 5 groups that meet regularly with attendance varying between 4-20 people. Things are pretty quiet. All admin and primary subcommittee positions are filled. Sasquatch Area is fiscally sound. There's an outstanding check to the region (now deposited), and another should be on the way. H&I brings meetings into the Wasatch County jail for both men and women.

### **New Business**

No new business to introduce.

I have a check for a donation to Region for \$345.61, not sure of what time period this is from (I think December-February). UWANA had additional funds and opted to donate extra to Region the previous two months which is why it is higher than usual.
