

## Campvention Meeting 4/24/2022

Justin – Chair – met with Kim and Len for Merchandise – she is going to Logan to meet with Badger on Tuesday. Merchandise is available for sale and mock ups may change based on what we can get.

Leska - \$313 total brought in less fees - \$198 cash, \$45 square, \$70 – burgers were donated by Sills café. The winners of the cornhole tournament are two young guys and I will get their names to Brittney.

Cassidy – May 7<sup>th</sup> in Logan is the next event – would recommend getting some hot dogs too – Chelsey will order them as well and we will get a plan to pick them up from Chelsey on the way to Logan. Brittni bought \$105 in merchandise for raffle from Northern California convention, Cassidy is doing blankets

Brittney – there was discussion about whether to do pins or keychains. Check with a couple vendors for 150 pins. We can run the spreadsheet with who has registered and don't need to do manilla envelopes we can keep it simple.

### WINNERS FROM CORNHOLE FREE REGISTRATION

Andrew H and Braydon H both from Central

Danny – haven't got together with Brittni and things are going along. Most slots have been filled. We were talking about audio and recording at the event and had been leaning away from doing it. But, Danielle came up with the idea just to some sort of audio diary – people could share their ESH with a newcomer and record it and then record the few speakers and add that to a flashdrive we could give to the newcomers rather than selling since you cant really sell for much with so few speakers. Something to think about.

Tacos as a potential option – and we will get with the areas to confirm who is doing which breakfast and the monetary donations.

Chelsey – Campkids

Going to do 2 canvases for the auction with handprints – parachute and balls – food from Costco.

Brittni did grab bags for the kids but we aren't going to do as many things as last year to avoid kids just leaving junk everywhere. Maybe notebooks and pends or pencils for the scavenger hunt.

We need to work on getting the white blankets for the newcomers. Justin will work on that.

Check with Ryan on quotes for generator.

Next meeting is May 22<sup>nd</sup> -
