

Campvention Committee Meeting 4.26.20

In attendance: James H, Leska, Brittini, Joe W, Joey L, Bianca, Russell, Joey B, Donnie

Open 10:58am with moment of silence and Serenity Prayer.

We have a flyer for speaker jam and love the flyer Russell made. Event is May 2nd from 2-6pm. Flyer has been posted to Facebook. And Russell will reach out to Justin to get it posted on Region and UWANA page.

We have a square store to collect funds. Joey B will set up the square, and then we just need to put the info into the zoom chat.

We have 4 speakers. Bianca will chair the event. Brittini will write a format.

The feel for the event in July: July 10th – 12th.

Joey B: We have time to hold out. If we make a decision in early June then we still have 5 weeks to order merchandise. Do it at the end of May maybe?

James H: We are in the same place we were 2 weeks ago, lets see how it goes through the month of May.

Brittini: Drop dead date will be June 13th so we have a meeting prior to Region so we can know for sure.

Leska: We need to get everything finalized and ready to go with merchandise with the logo and what we want so that we are ready to go, or not go at the drop-dead date.

Joey B: Suggested we could order a bit of merchandise for fundraising so that we could have something for next years committee to work with.

James H: My vote would be to not put out any funds until we make a decision. Brittini and Joe agree.

Brittini will send the logo to Joey L in a few different formats, jpeg, png, and pdf and then we can start working on this. Will also send to Joe W and Russell.

We will meet again May 17th at 11:00am
