## **Admin Reports**

**Facilitator: James** – thanks for adapting to the time change. Thank you to everyone that showed up. If you are looking at the calendar down the road, we will be on August 9<sup>th</sup>, 2<sup>nd</sup> Sunday. That is the Women's retreat so we will do virtual at 4pm.

**Secretary: Leska** - Thanks James for taking minutes last month – those minutes will serve as my report.

**Regional Treasurer: Jess** - Current bank balance is \$3277.12 with a working balance of \$456.72. H&I and PI have a balance of \$1410.20. There will be a world donation of \$321.64. Brittini was reimbursed for \$2651.28. She is still gathering her receipts. Cody will need a reimbursement, however, he is not sure how much yet. Thanks for letting me be of service.

Cody sent report and the total is \$1323.34  
Brittini's total was \$354.81 that was reimbursed before.

Total for 2 people was \$4329.43 – 2 to Brittini, one to Cody.

We got \$1782.63 in member and groups donations this month. We have a \$500 prudent reserve.

Should need to pay storage in August – will likely be around \$770, PO Box will be in August - \$360 last year and will go up, and Justin needs \$203

Campvention is making a motion for money - a minimum of \$2000 if possible.

**Utah Regional Delegate: Cody** – If you got to NA.org on the conference page you will find the final report that WSC had posted. Please see attached report. Will need reimbursement for \$1323.34 for his WSC expenses.

**Utah Regional Alternate Delegate Report: Brittini** - See attached report.  
Zonal stuff was pretty poorly organized, they are meeting for the next zonal forum during the weekend of Campvention. We are losing our Zonal contact.

**H&I: Todd** – NUCCC Northern Utah Community Connections Center in Ogden – locked down outside of jail – started a meeting there Tuesdays at 7pm Northern is now servicing that meeting and Todd has been able to help. Facility built its own flyer and we have had a few clients show up each time. We have got 6ish people that have been to the meetings. Generally, DOC is pretty firm with how people are allowed into the facility but this facility has been very trusting of NA to provide the message that we have and that we are screening who we are bringing in with integrity. At this point, BCI is not needed. As of now we just call with names the day before the meeting and then show up. If anyone wants to get involved in that, please get with Todd. Residents are there between 90 days and over a year. It's a stepping stone, all male facility but women are able to go in, but not alone. We have seen about 7 people come, and one man has come to all 3 meetings so far. Sargent is just calling for men to join, but once the word is out and they add to the routine it has good potential.

**Outreach Chair: Danny** – Nothing to report. James asked that Danny reach out to December and Melissa to see if there is something we can do to help facilitate their attendance at this meeting.

## Webmaster: Justin -

### CHANGES/UPDATES

Uploaded the April minutes to the Archive page.

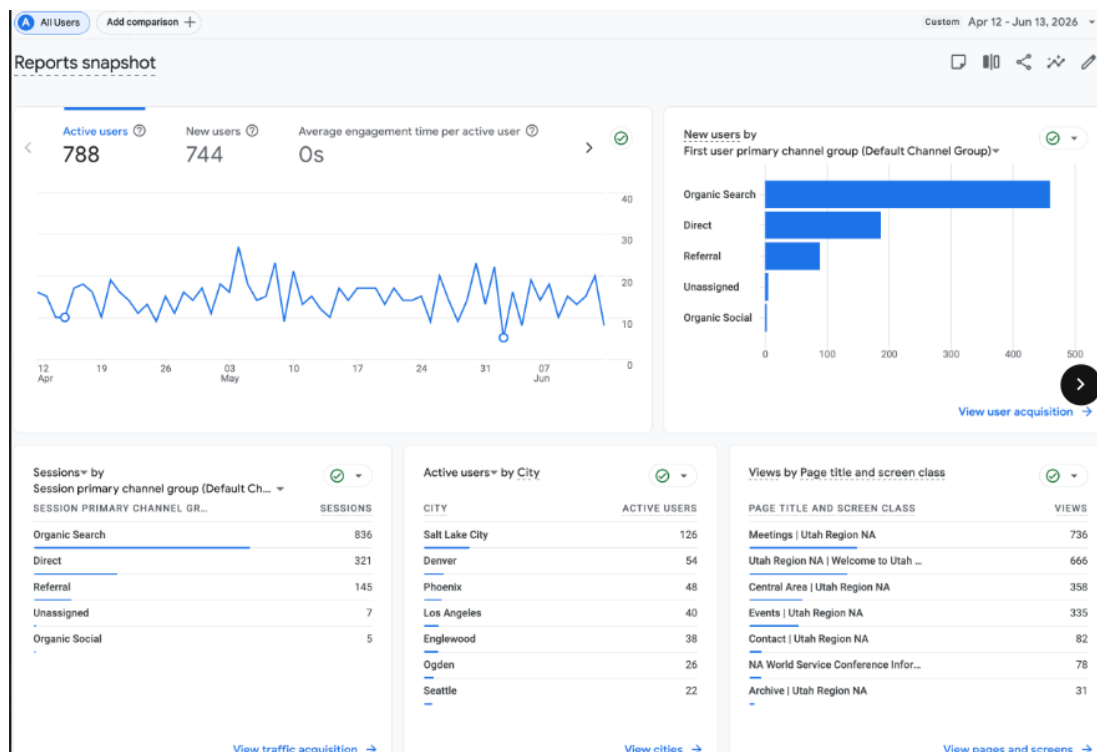

- <https://nautah.org/archive>
- Updated Main page to show the June Region meeting location/info.
  - <https://nautah.org/>
- Events page updated to include the next Campvention fundraiser flyer (rave).  
Removed links for Sasquatch events, added link to Central's page that previously did not have events listed.
  - <https://nautah.org/events/>
- Meetings page - Updated mapped Areas to cover meetings as of now. (Biggest change was Central's boundary to include Heber & Midway, but also added an arm out from Northern to include the part of Evanston it has meetings while adjusting Lakeside's Evanston arm to account for its proper Evanston boundaries also.)
  - <https://nautah.org/meetings/>
  - Was contacted by the RD in the Carolina Region (Patrick J) concerning helping out with BMLT setup. I am considering working on this, however, the time commitment and potential coordination required gives me pause chiefly because I don't want to end up as the Region-wide meeting schedule gatekeeper.
    - Patrick provided a link for an initial Live Demo meeting finder: <https://utah.bmlt.app/> if anyone is interested that hasn't heard of the BMLT before.
    - Additional note - having our meetings listed in the BMLT would have them also appear in the BMLT Search app on iOS and Android.
- Central Area's page - Schedule update on June 2nd to now include some former Sasquatch Area meetings as requested from Central. Also added an event/announcement section for their SCORE event.
  - <https://nautah.org/central/>
- WSC Page hidden from navigation (if needed: <https://nautah.org/wsc>)

#### URICNA: James –

URICNA met virtually Sunday May 31st, 2026

We had a new member join to committed to help with BST.

We finalized our logo and added a theme. “Spiritually Elevated”

We have signed the contract for this year’s event. We will hold it at the same location as last year, University Park Marriott.

We most of our speakers secured and are looking at all secondary speakers, workshops, and activities.

Our next fundraiser will be late summer, likely in Logan. Stay tuned for more info.

Next meeting is June 28, 2026 @ 2pm

**Campvention: Brittni** – Campvention is requesting \$800 for parking expenses and \$1200 for meal.

Campvention is almost here. We will be holding a fundraiser in Park City on June 20th at 7PM. This will be a Registration Rave.

Merchandise is live and now working correctly, thanks to all those who worked on that.

We had our walk-through and are very excited. We have a map of trailers and tentative spots for tents. Make sure that people understand that there is a registration for Thursday if campers are wanting to come up early! Register by June 20<sup>th</sup> for a special clean date gift.

We have reached out to those who typically come with additional needs to ensure that we are prepared with space for them at a location will not put too much pressure or strain on them getting to and from meetings. We have a full schedule of events and are well prepared.

Due to a rising cost, and the parking issues that we experienced last year, we are asking the region for \$2000 to go towards the additional cost.

Campvention paid Justin 22.19 for his web reimbursement during this meeting.

## **RCM Reports**

**Central: Melissa** - Not much to report this month Just getting pump up for our Score (8/1) event and Campvention. H&I going well, merge with Sasquatch going well I have all the information to Justin B. to update our meeting schedule. We will be having a merge activity all are welcome to come support! More info to come on date time location.

**High Uintah: December** – Not Present

**Lakeside: Arron** –

Lakeside has 10 homegroups represented at area.

I spoke to the activities coordinator for our area and the Dodge ball event was a success.

The secondary event for Crystal Hot springs had some attendance.

There is an ice cream social and bake sale happening today as well.

The guideline changes were not approved by the area. A new guideline Ad-hoc was created by the chair with Russ G. Appointed to facilitate. I spoke with Russ G. And he said by the end of 2026 he hopes to have the guidelines updated and ready for voting. A Committee meeting to modernize and improve the Lakeside Area guidelines will be held on June 28th at 3pm. If you are willing to serve on the committee, please contact Russ G.

Finally Connected needs support at the H&I meeting on the 1st Tuesday of every month at 6pm. The next meeting will be on July 7th.

PR is looking for a facilitator to take meetings into Diamond Detox on the 1st Sunday of every month at 6pm.

RTU group will be holding their 7th annual campout July 10th-12th at Stillwater Campground in the Uinta mountains.

This concludes my report for lakeside. Thank you for allowing me to serve and to be of service.

Lakeside has seen a slight decline in attendance for meetings due to summertime which is expected.

**Northern:** Todd – 30 meetings currently, 13-15 participate in Area. New meeting in Brigham on Friday, literature study. All area positions filled except RCM. Area is short and sweet. Average attendance is 25-30 addicts per meetings. Healthy Area. Fish and Pig June 5-7 (success! Dinner was served and grew by over 100 people. There were 4 rehabs that attended, Freedom fest July 10-12, at Newton Dam. Men's Retreat Aug 28-30 Weber Memorial.

UWASCNA updated Financial Guidelines this year so that 20% of all donations will be forwarded to Region monthly and all funds exceeding our budget will be split between the Utah Region and World Services on a quarterly basis. Our Region donations are \$1,642.73 year to date. We would like to thank Jess for her patience and help as we have gone through some growing pains over the past few months on determining the best way to transfer and receipt these funds to Region.

There are two Utah Region donation checks that have not cleared:

Check # 1646 dated 10/19/2025 for \$163.34

Check # 1648 dated 11/16/2025 for \$102.69

We will stop payment on these checks in a couple of weeks if they can't be located. We recognize the complexities of mailing and depositing these checks and have found an alternative methodology for future funds flow. We discovered that it is possible to Zelle our donations which will provide quicker access of funds for Region while providing an audit trail for the UWASCNA Treasurer. We believe other Areas may find it easier to do the same.

ILS,

Randy & Amanda

**Ad Hoc Committee – Utah Region of NA Archives and History: Lou B** – No report/not present – James reached out and did not get a response. We will give him another cycle to figure it out.

**Ad Hoc Committee – Insurance: Randy** – Nothing to Report

**Ad Hoc Committee – Guidelines – James and Danny** - (how to handle financial business without quorum.) – They did talk and feel we have an easier time meeting quorum now since we have dissolved Sasquatch. **This committee will be dissolved as well.**

## **Open Discussion Items**

**Open Forum:**

**Old Business:**

- Open position for PR – Jordan is interested! James went through a few things to often advice – James read the guidelines and Jordan qualified himself. **PASSED!**  
**Welcome Jordan!**

- Tabled until next cycle - RD would like to consider getting the next AD / RD involved before the December Region meeting to help transition the new team. This will be tabled until June.

#### **New Business:**

#### **Motion from Region for Campvention – Made by Cody, 2<sup>nd</sup> by RCM Arron**

**Utah Region will donate \$2000 to Campvention - approximately \$800 to help with the parking cost overage, and \$1200 for food. In doing so withholding the World donation for this cycle with the Treasurers blessing. 2:0:1 – Lakeside and Northern Yes, UWANA abstained.**

Next Meeting: August 9<sup>th</sup>, 2026 – Virtual at 4pm

Meeting Closed 4:29pm

NARCOTICS ANONYMOUS

# World Service Conference 2026

## Delegate Team Report

*Utah Region of Narcotics Anonymous*

### Theme: Our Common Welfare

Celebrating 50 Years of the World Service Conference | 1976–2026

**Regional Delegate: Cody P.** | **Alternate Delegate: Brittini K**

## Introduction

---

This report contains a summary of some of the decisions made, and pertinent information given, at the 2026 World Service Conference of Narcotics Anonymous (“Conference”). For full details on all decisions made, see the WSC 2026 First Draft Summary of Decisions at [www.na.org/conference](http://www.na.org/conference).

This year’s conference marked a milestone: the 50th anniversary of the World Service Conference, first convened in 1976. The theme, Our Common Welfare, reflects Narcotics Anonymous’s enduring commitment to unity and collective purpose across the worldwide fellowship.

## Pre-Conference Highlights — Saturday, May 2nd

---

Our regional delegate and alternate arrived in Los Angeles, made their way to the World Service Office, and received welcome items remaining from WCNA alongside a tour of the facility.

- Regional Delegate Brittni worked with the world board to iron out an accurate Region boundary map, we redrew the map to add St. George to Area 51, Moab to Colorado and incorporate Evanston and Preston Idaho to our Region. It was a cool experience to work together on this.

## Conference Opening — Sunday, May 3rd

### First Things First

The Conference opened with introductions and the Serenity Prayer offered in all represented languages by newly seated members. A Conference Countdown engaged all participants in celebrating their cumulative years of attendance.

### Newly Seated Members

The following regions were seated for the first time at WSC 2026:

- Brazil Central
- Iran Region #1
- Nordeste Brazil
- Rio Grande do Sul
- Thailand

The Conference also voted to seat: Afghanistan Region and Region 10 Brazil. El Salvador was not registered to attend.

## Planning: Creating Our Future

---

Jim DeLizia, a long-time NAWS consultant, led an inventory activity designed to reboot the strategic planning process at World Services and across the service system. Small groups examined both external and internal factors changing NA's environment. Key discussion points included:

### Top External Factors

- Geopolitical dynamics — 75%
- Evolution of technology (AI, social media, literature access, security) — 60%
- Generational and cultural differences — 50%
- Financial constraints (tariffs, cost, legal/tax implications) — 40%
- Alternative programs (including harm reduction) — 40%
- Legalization of drugs, including therapeutic uses and retail availability — 22%
- Impact of differences in healthcare systems and access — 13%

### Top Internal Factors

- Development and organization of trusted servants; generational expectations — 67%
- Generational and cultural differences and gaps — 43%
- Sense of safety, belonging, and welcomeness — 43%
- Lack of global perspective (diversity of issues and needs) — 34%
- Lack of clear, consistent communication and NA language — 30%
- Disruption and bottleneck in flow of funds — 29%
- Redundancy and lack of cohesion in core services — 22%
- Outside issues causing internal polarization — 19%
- Establishment and integration of virtual NA — 14%

## Alternate Delegate's Zoom Room Experience

The Alternate Delegate participated in a Zoom breakout room alongside delegates from Australia, Africa, Bangladesh, India, Iran, Ukraine, Russia, and Norway. The first room focused on educating members, and several delegates expressed a strong desire for a more global approach to NA—some calling for the USA to relinquish 60 seats at the Conference. The discussion grew heated at times, which made for an uncomfortable moment, but the group moved forward and continued the remaining four days in unity.

During the breakout session on issues affecting NA as a whole, delegates from most other countries identified Geo-Political dynamics as their number one concern, followed by Generational Differences as a close second. It was a powerful and humble experience to hear concerns from across the world—and to recognize the same fire for recovery burning in every delegate, regardless of where they came from.

## Conference Agenda Report (CAR) Motion Summary

---

*Note: The Conference decided to no longer accept standalone CAR motions for literature; requests will be gathered through the CAR Survey process going forward.*

## Adopted Motions — Official Record

The following motions were formally adopted at WSC 2026. Full motion text and addenda are available at [www.na.org/conference](http://www.na.org/conference).

## 2026 CAR Survey Results

The 2026 CAR Survey gathered input from 53 delegates (regional and zonal) and 9,188 individual member responses in 15 languages: Arabic, Dutch, English, Finnish, French, Hebrew, Italian, Norwegian, Polish, Portuguese, Slovak, Spanish, Swedish, Russian, and Ukrainian.

Key priorities identified by members included Disruptive & Predatory Behavior, Welcoming Newcomers, a New Step Guide, DRT/MAT considerations, the 12 Concepts, Virtual Recovery, and Women in Recovery. Attracting members to service and mentorship rated highest overall in the survey.

The Conference discussed improvements to the CAR Survey process, including:

- Improving collaboration with contributing participants (CPs) throughout the vetting process
- Adding an extra CP meeting to refine ideas
- Adjusting timelines to make it easier for CPs to participate

- Providing clearer communication about how survey results are used at the Conference and beyond
- Strengthening alignment between the strategic plan and the CAR Survey

## Public Relations Report

---

Rich and Thom presented slides and videos on current NA public relations efforts globally. Key highlights included:

- IP #22 in Farsi is distributed more than in any other language — Iran represents the largest NA community in the world.
- NA's YouTube presence is strongest in Russia.
- Social media strategy was presented, including guidelines on NA's 11th Tradition and social media.
- A PR Toolkit is being developed for training local members in internal PR.
- Poster campaigns shared “Do's and Don'ts” guidance for regions.

The Conference discussed updating the 11th Tradition to be inclusive of social media. This remains an open conversation, with the World Board inviting CPs to collaboratively create a CAR motion for the next cycle.

## NAWS Report — May 5th

---

The NAWS Executive Director presented a comprehensive report on the state of Narcotics Anonymous worldwide. Key highlights included:

- For the first time in over 50 years, NAWS has a woman CEO.
- Travis was introduced as the new Deputy Executive Director; Daniel leads communications; Nick Elison leads public relations.
- Electronic literature is the top access method on the NAWS website; literature sales continue to decline while website usage increases.
- The largest growing free literature distribution is in Iran and Russia, where NAWS supports the fellowship's ability to obtain materials.
- NAWS is developing a local LTC in Swahili and funding an African Zone effort; 39 weekly meetings, meeting monthly online.
- 1,500 inmate tablets deployed, with Spanish audio being the highest-used content. NAWS is expanding reach into treatment facilities.
- Budget update: a 15% literature price increase does not fully cover the \$6,500 cost per delegate; WSC costs are 30% higher than 2023. NAWS described the organization as fiscally stable and exploring new financial models beyond literature sales.
- NAWS is building an AI library from locally mistranslated service material and seeking audio recovery literature contributions from the fellowship.

## Questions and comments

- Literature in Iran and Russia: prices have been kept artificially low to prevent money from accumulating in sanctioned territories, preserving funds for primary services.
- Budget projections: income is projected to increase 2% in 2027 with a 15% literature cost increase; free and subsidized literature must account for sales tax, customs, and value-added taxes.

- 20% of the operating budget is allocated to the WSC (\$650 to produce). Discussions continue around virtual WSC options and the sustainability of seating individual regions.
- Brazil funded its own RD travel costs to address funding shortfalls. North Dakota was able to fully fund its RD for the first time.
- Alon from Israel raised how geopolitical tensions — including the conflict involving Ukraine — directly affect the fellowship’s ability to share literature and gather regionally. The worldwide fellowship continues to navigate these realities with unity.

## New Ideas Discussions

Conference participants submitted new ideas, prioritized them via survey, and spent Friday afternoon discussing the top four topics. The table below shows the full prioritization results from the Conference.

| Proposal / Maker                                                                              | Summary                                                                                                                                                                                                                               | Vote (Yes / No)       |
|-----------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| <b>Making NA Service More Welcoming &amp; Relevant (World Board — Fellowship Development)</b> | Mentorship was the top priority for delegates and the second priority for members in New Service Material in the CAR Survey. How can we make service more welcoming and relevant, and better mentor and support our trusted servants? | <b>YES: 65 NO: 16</b> |
| <b>Revision to Tradition 11 (World Board)</b>                                                 | In response to the 2026 CAR Survey: Revising Tradition Eleven to modernize the expression “press radio, and film.” Should we revise the policy in GWSNA p.44?                                                                         | <b>YES: 60 NO: 22</b> |
| <b>Changes to Local Services (World Board — Local Services)</b>                               | Modernize The Group Booklet to describe what all NA groups must share. Revise Guide to Local Services to include the different ways groups express those things. How can we reach group-level members to help?                        | <b>YES: 56 NO: 26</b> |
| <b>Welcoming Newcomers (World Board — Fellowship Development)</b>                             | This was the second priority in New Recovery Literature in the CAR Survey for both members and delegates. What are we looking for in a piece of recovery literature not already included in IP #29: Introduction to NA?               | <b>YES: 55 NO: 25</b> |

### 1. Tradition 11 and Changing the Policy

Participants were asked: Are we willing to revise the policy in GWSNA p.44? What process could/should we use today to consider this type of change? What might a revision of the Tradition look like?

There was no consensus. A variety of perspectives were shared, including different kinds of group registries, increasing voting thresholds, and leveraging technology for group capture. The World Board will work with CPs to collaboratively create a CAR motion to address policy and may also explore language revisions to the Tradition itself.

### 2. Changes to the Group Booklet and Guide to Local Services

Discussion focused on modernizing the Group Booklet to describe what all NA groups must share and revising the Guide to Local Services for best practices. 120 of 139 RD groups agreed that all groups should use Fellowship-approved literature. Additional themes included:

- Virtual, hybrid, and in-person meeting structures
- Encouraging members to step into service and mentorship
- Reaching members through personal outreach and technology

### 3. Welcoming Newcomers

The group explored what works in welcoming new members and how to bring these discussions to the group level. Key themes:

- Active personal invitations and remembering names
- Direct outreach and fellowship invitations
- Group inventory and self-evaluation on how welcoming groups are

### 4. Making NA Service More Welcoming and Relevant

Discussion centered on how to make service more welcoming and better mentor trusted servants. Key suggestions:

- Creating an atmosphere of recovery in service settings
- Making service enjoyable and fun
- Overlapping service terms for smoother transitions
- Introducing task-based service opportunities

## Project Plan Straw Polls

The Conference voted to prioritize proposed project plans for the next service cycle. Results below reflect straw poll totals (High / Medium / Low):

| Project Plan                                       | High | Medium | Low |

## DRT/MAT — Helping Members Take Root

The DRT/MAT session included a personal video from a member on medication-assisted treatment, and a review of Bulletin #29, which has been discussed through IDTs five times between 2006 and 2026. The topic is present throughout NA literature and service materials. The Conference did not reach consensus on DRT at this time.

Key straw polls on focus for project plans were conducted after lunch, with results as follows:

- Revise Guide to Local Services and Group Booklet including IP #2: 130–9–3–1 (91% consensus support)

- Gender-neutral language in NA literature (first steps: IP #1): 109–31–2–2 (76.76% consensus support)
- New recovery informational pamphlet focus: Disruptive and Predatory Behavior: 134–9–1–0 (93.06% consensus support)
- Issue Discussion Topics focus (attracting members to service, mentoring, group/area service): 138–5–1–1 (95.83% consensus support)

## CAT Motions — Final Results

---

The following CAT motions were approved during the Conference:

- Motions #6, #7, #8, #9, #10, #11, #13, #14, #15, #16, #17, #21 — all passed in the initial straw poll.
- Motion #12 — strong support in initial straw poll; passed in 2nd straw poll at 80.99%.
- Motion #18 — strong support in first straw poll; passed.

## Conference Closing & Reflections—Saturday May 9th

---

The final day of the conference included zonal meetings, a Brazilian video on Fellowship Development and Public Relations, and a Canadian CANA video presentation. Participants voted on project plans and discussed next steps for fellowship outreach.

Certificates of participation were distributed. World Board, Human Resource Panel members, and Cofacilitators whose terms concluded at this conference were acknowledged. The Conference closed with The Voice of NA Recovery Meeting, followed by a World Market.

*“We left the conference with new friends, new perspectives, and a greater love and passion for Narcotics Anonymous. We were honored to carry Washington Northern Idaho Region’s conscience to the World Conference.”*
