PERSONAL GROWTH & RECOVERY

- Have worked the Twelve Steps of Narcotics Anonymous.
- Actively maintain a relationship with a sponsor and continue working on personal recovery.
- Continue to deepen my understanding of the Twelve Traditions and Twelve Concepts for NA Service.
- Work the Twelve Steps with sponsees, and support others in their recovery.
- Remain of service to the NA fellowship beyond formal committee and service positions.

COMMITMENT TO SERVICE

My service in Narcotics Anonymous reflects an ongoing commitment to recovery, unity, and carrying the message to the addict who still suffers. Through Area, Regional, Event, and Hospitals & Institutions service, I continue to learn, grow, and contribute to the fellowship. I strive to serve with humility, responsibility, and a willingness to be of service wherever needed.

WHY ALTERNATE DELEGATE?

My love for the fellowship of Narcotics Anonymous and desire to learn more about the service structure has led me to the path of wanting to be the AD for the 2027-2030 term. I am excited to explore the inner workings of the World Service Conference and attend to learn and grow in my recovery and immerse myself in another level of service and the fellowship. I am passionate about the changes that are going on in the fellowship and want to be a part of carrying the group conscious for our Region to our zone, and to World.
